KOONG

I saw it
a moment
ago!

Regardless
of him having
the Indestructible
Golden Body or
not, when he
was attacked,

his body
reacted instinc-
tively!

That boy did
not understand
martial arts with
his head.

but he
experienced it
all with his life
on the line!

Chapter 13

*That
power that
took that man
down just
now...*

*It was
Blood Arts
from the Tale of
the Ghost Mask
that I read*

*If that's
true, then
just like
him...*

*I can
learn martial
arts just by
reading...*

Don't
come near
me!

You
monster!

Monster...

Märchen,
please!

You
mustn't become
a monster like
that man!

What do you
want me to do?

I didn't want
this ability...

I don't want
to become
a monster,
either!

Hey,
look

!

I don't know
what you're so
worried about.

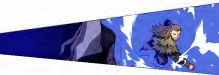

but isn't it
rather rude
to ignore
someone
who's being
serious
here?

Well, even
you won't even
be able to thank
clearly—

How was that?

Still not enough?

Have your instincts not taken over...

Ha...
Haha...

Yes,
this is it!

It's as I'd
suspected!

As soon as
you're driven
into a corner,
you're forced to
use your Ki.

I thought
he wouldn't have
to use his Ki for a
while, so I left
it alone...

But if he
uses the abilities
he learned from
the Embodiment
of Tales.
